ITINERARY

Day 3

April 9 (Holy Thursday)

## Thessaloniki to Kavala, Philippi.

*(Acts 16:9-11)"Come over into Macedonia and help us..."*

The Apostle Paul was praying, asking for the direction of the holy spirit as to which city he should travel to. He arrived in Troas and there he had a dream, sent by the spirit of God. Therefore, his trip to Europe began and the first country he visited was Greece.

He arrived at Neapolis (Modern city of Kavala) which was situated near Philippi. Philippi was named after Phillip II, father of Alexander the Great, and became a very important Roman colony. There, the Ap. Paul established the very first Christian church in Europe.

One of the highlights of the first day of the tour will be our visit to the river of Lydia, otherwise known as the "Jordan river of Greece". At this place, where the Ap. Paul met Lydia and where his so-called prison is situated (Acts 16:40), we will have the possibility of placing a prayer.

Return to Thessaloniki for overnight.

ITINERARY

Day 4

April 10 (Good Friday)

## Veroia, Vergina, Kalampaka. Epitaphios at Meteora.

We will depart Thessaloniki and start our tour with visiting the city of ancient Veroia.

Paul the Apostle preached the Gospel, faith, salvation and love to a large number of Jews and Bereans. His preach had a great resonance and since his first visit in the Macedonian town he had proselytized many Verians to the new religion. Paul visited Veroia twice; in 56 AD and at the beginning of 57 AD during his journey from Asia Minor to Greece. Paul's the Apostle passage through Veroia and the impact of his preaching, reveal the significance of the town at the first steps of Christianity and the important role that the town played for the spreading and establishment the Christian faith in Greece.

Lastly, we will visit the archaeological museum of Vergina (Royal Tombs). Hundreds of items are displayed including beautiful gold creations, elaborate jewelry, colorful wall paintings, mosaics, hundreds of ancient items and others, used by the royal family. Some of the most spectacular exhibits of the museum are the shield and armor of King Phillip the second and the famous Golden Larnax of the King.

After that, we will continue our journey to Kalampaka.

In the afternoon of this day, we will have the unique opportunity to take part in the Epitaphios procession led by Orthodox monks—an experience that is truly one of a kind. This rare occasion offers every guest, regardless of their faith, a chance to immerse themselves in the spiritual traditions of Greece, and to witness how Greek Orthodox honor and celebrate these sacred days with reverence and devotion.

Overnight in Kalampaka.
